Broken Wings (Mindhunters)

John Douglas, Mark Olshaker

Broken Wings (Mindhunters) John Douglas, Mark Olshaker

An electrifying novel of intrigue, "Broken Wings" moves beyond the authors' "New York Times" bestselling nonfiction -- and takes readers along on a furious psychological duel between the nation's top profiler and a ruthless criminal mastermind. The director of the FBI is dead. Officially it's being called suicide; unofficially, it's a murder. On the first morning of his retirement as head of the FBI's Behavioral Science Profiling Unit, Jake Donovan is summoned back to Quantico -- and into the most dangerous, volatile, and politically charged case of his career. After suffering a brutal attack from assailants who may have been linked to the director's death, Jake enlists an elite team of "broken wings" -- damaged-goods agents like himself who have been frozen out of the FBI. Equipped with a state-of-the-art airplane that serves as a mobile lab and headquarters, this secretly funded rogue squad of expert mindhunters is going to do what the Bureau can't or won't: follow the trail of evidence, no matter where it leads, no matter whom it implicates.
