Esi decides to divorce after enduring yet another morning's marital rape. Though her friends and family remain baffled by her decision (after all, he doesn't beat her!), Esi holds fast. When she falls in love with a married man—wealthy, and able to arrange a polygamous marriage—the modern woman finds herself trapped in a new set of problems. Witty and compelling, Aidoo's novel, "inaugurates a new realist style in African literature."
