Melanie Harte's latest matchmaking assignment comes with a catch. Her client, Jaxon Landon, can never know that his grandmother hired Melanie to find him a woman of substance—someone more interested in making the handsome banker happy than in spending his money. With Melanie's help, Jaxon meets Zora Campbell, a former model whose thriving agency proves she's just as brilliant as she is beautiful. For the first time Jaxon is falling for a woman who is his equal—and their combustible chemistry proves the feeling is mutual. But the hotter their relationship gets, the more Zora worries about what will happen when Jaxon discovers the ploy behind the passion. A simple lie brought them together—but will it also tear them apart?
