Lorna Doone R.D. Blackmore

'But who are you? I've never seen anyone like you before. My name's John Ridd. What's your name?'

'Lorna Doone.'

Doone! To me, the name was terrible! She was one of the Doones who had killed my father. But her voice touched my heart and I could not hate her. Her beautiful hair fell down onto her shoulders. There were lights and shadows in her eyes, like sunlight in a deep forest.

In 1673, in a high, wild valley, a farmer's son called John Ridd meets a gentle little girl called Lorna Doone. The Doones are a family of robbers and murderers. One of them, Carver Doone, is the killer of John Ridd's father. The boy leaves the valley, but he cannot forget Lorna. Seven years later, he returns to the valley as a young man and meets her again. She is now a beautiful young woman, and the two start meeting secretly. But Lorna is not allowed to leave the Doone valley. Carver Doone wants her to be his wife, and if she refuses, he will force her to marry him.
