Who says a wild heart can't be tamed?

For years, I lived for the job and let it control me. Violence was all I knew. I protected, killed, and served. My name is Blake Evans, one of the best undercover cops in the country. I thought I was about to live a quiet life on my ranch in Wyoming until an old friend showed up and changed everything. He brought me her, Hadley Rivers, country music sensation and the one woman I couldn't have. I didn't want her but she had me completely roped in.

My job is to protect her, to keep her away from some psycho who wants her for himself. However, there's more to her story than I was led to believe. I promised to keep her safe and I won't back down . . . even if I have to die trying. I can't let him have her.
