That Risen Snow: A Scary Tale of Snow White and Zombies (The Scary Tales Book 1) Rob E. Boley

The zombie sequel to Snow White begins where the classic fairy tale ends, with the Prince's kiss waking Snow from her cursed slumber. Snow wakes up, but she doesn't wake up right.

Now a deranged zombie, Snow infects both the Prince and the seven dwarfs' leader. That leaves the young dwarf Grouchy, who is secretly in love with Snow, to find a cure for her malicious curse. So begins an epic journey that pits the lovesick Grouchy against dwarf-hating human soldiers, Snow's ever-growing zombie horde, and his own bad temper.

But when Grouchy and his motley crew of survivors escape Snow's clutches and seek refuge in a nearby human village, he soon finds that her affliction has spread faster and further than he ever could have imagined. Snow is hell-bent on spreading her horrid curse across the land, and it's up to Grouchy to stop her before it's too late.

REVIEWS:

"Part delicious dream, part nightmare, *That Risen Snow* is an aberrant fairytale that is just as much a horror story. Boley has a knack for dark comedy and witty prose, and he blends it with a nearly-hardboiled voice uncharacteristic of (and therefore pleasantly unique in) dark fantasy fiction. It's a story you'll want to tear ass through but will equally want to slow down for, so you can savor the prose."

—Brady Allen, author of *Back Roads & Frontal Lobes*

"In 1912, the Brothers Grimm published an old German fairy tale they titled *Snow White*. Little did they know that a guy named Rob Boley would come along a hundred years later to reveal the 'true' and adult story of Ms. White, or 'Snow' as she was known in real life... No one could have possibly foreseen what would become of Snow in the hands of a diabolical, maniacal imagination like Boley's... Such a nice boy... with such a fevered mind. Read this with the lights on and a baseball bat or shotgun handy... you're gonna be glad you did. This is a *Snow White* you ain't gonna find in the middle school library... Get it, read it, and try to keep the screaming down."

—Les Edgerton, author of *Hooked*, *Just Like That*, and *The Bitch*

"*That Risen Snow* and *That Wicked Apple* make a deliciously diabolical tale—part *Walking Dead*, part turned-on-its-ear fairy tale. Rob Boley strikes the perfect balance of depth, drama, and dark humor to keep readers devouring the pages and leave them hungering for more."

—Linda Gerber, author of *the Death by Bikini Mysteries*
