Franklin W. Keeney

The Governing Field of Gravity: Unified With The Electromagnetic Field Franklin W. Keeney

The governing field of gravity is uncovered by isolating the {Poynting Vector $S = c^2DXB$ whose cross-product DXB is a momentum density filling space, unifying gravity with the electromagnetic field. The field structure of the spin-2 graviton and its mediating field are also revealed, producing a quantum theory of gravity. Einstein left clues resolving this snigma.

From reader reviews:

Michel Wilkerson:

Hey guys, do you want to find a new book to learn? Maybe the book with the concept The Governing Field of Gravity: Unified With The Electromagnetic Field suitable to you? The actual book was written by a well-known writer in this era. Often the book titled The Governing Field of Gravity: Unified With The Electromagnetic Field is the main one of several books that will everyone read now. This book was inspired many men and women in the world. When you read this guide you will enter the new shape that you ever know previous to. The author explained their thought in the simple way, and so all of people can easily recognize the core of this reserve. This book will give you a large amount of information about this world now. To help you to see the represented of the world within this book.

Rhonda Munoz:

The e-book with title The Governing Field of Gravity: Unified With The Electromagnetic Field possesses a lot of information that you can learn it. You can get a lot of benefit after read this book. This specific book exist new information the information that exist in this book represented the condition of the world right now. That is important to you to be aware of how the improvement of the world. This particular book will bring you inside new era of the global growth. You can read the e-book in your smart phone, so you can read that anywhere you want.

Marvin Boyer:

Reading a book for being new life style in this season; every people loves to learn a book. When you go through a book you can get a lots of benefit. When you read books, you can improve your knowledge, because book has a lot of information in it. The information that you will get depend on what kinds of book that you have read. If you wish to get information about your analysis, you can read education books, but if you act like you want to entertain yourself you are able to a fiction books, these kinds of us novel, comics, along with soon. The The Governing Field of Gravity: Unified With The Electromagnetic Field offer you a new experience in examining a book.

David Packard:

Don't be worry should you be afraid that this book may filled the space in your house, you could have it in e-book way, more simple and reachable. That The Governing Field of Gravity: Unified With The Electromagnetic Field can give you a lot of pals because by you investigating this one book you have issue that they don't and make you more like an interesting person. This kind of book can be one of one step for you to get success. This guide offer you information that possibly your friend doesn't realize, by knowing more than different make you to be great folks. So , why hesitate? We should have The Governing Field of Gravity: Unified With The Electromagnetic Field.
