The new, up-to-date edition of Barron's SAT test prep manual presents a diagnostic test and five full-length practice tests that reflect the most recent SATs in length, question types, and degree of difficulty. The book also presents an overview of the SAT, explains its scoring method, and offers subject reviews in critical reading, grammar and usage, and math. In addition, it gives advice on preparing and writing the required SAT essay. Here is comprehensive preparation for that all-important college entrance exam, which must be taken by most college-bound students in North America.
