Beautiful Wire Jewelry for Beaders 2 Irina Miech

This book is an excellent follow-up book to Irina Miech's first very successful book, *Beautiful Wire Jewelry for Beaders*. Following a similar layout and organization as her first book, this book presents 22 new projects including necklaces, bracelets, earrings, rings, brooches, and pendants. Irina keeps the projects fashionable and fresh by including a mix of metals such as copper, bronze, and silver, introducing exciting new elements including rivets, metal blanks, sea glass, and wires, and using new tools including hole-punching pliers and letter stamps. All of these additions inspire new colors and depth in the wire projects she presents.
