“I would die for you Lucinda, I would cast away everything I possess to be near you, I would take anything you willingly give and no more, this is what you mean to me.”

Lucinda's relationship with the Master of the City is progressing at an alarming rate, but she is unsure if what she feels is the truth. Or just a by-product of the joining and Bond. Can she even trust her own feelings?

To top that off, the vampire governing body has taken an interest in Lucinda and Michel's joining. The Iunctio's attention has now swung towards Lucinda and her kindred. Can they prove themselves to be no threat to those vampires who rule all Nosferatu?

Then temptation appears in the form of a hedonist playboy vampire, who does not play by the rules. Lucinda must decide if this new seductive attraction is the correct path for her heart, or the vampire she is tied to for life is her one true love. With such delectable men in her world you'd think life would be a breeze. But, there are whispers of a Prophecy and even Darker days ahead.

Lucinda may believe she belongs to no one, but there are those who seek to control her. And she may not have a say in that at all.
