## Equipping a New Generation to Live Out God's Design

This thorough study of the Bible's teaching on men and women aims to help a new generation of Christians live for Christ in today's world. Moving beyond other treatments that primarily focus on select passages, this winsome volume traces Scripture's overarching pattern related to male-female relationships in both the Old and New Testaments. Those interested in careful discussion rather than caustic debate will discover that God's design is not confining or discriminatory but beautiful, wise, liberating, and good.
