If golfers had their choice, they'd be on the course every single day, on the green or working the fairway. Since that's not always possible, this uniquely designed and fun-filled collection is a great alternative for those times when you just can't play a round. Not only will it delight golfers with hundreds of quotes, humorous notes, and infamous stories about the game, but this book even *feels* and looks like the dimpled ball they're longing to hit. That's right: it's stamped and covered with material that has the same look and feel as a high-impact, white-encased golf ball. What a super gift for every fan! *Golf* launches a brand-new series of quotation compilations. Coming up to the plate next season: Baseball: The Teams, The Players, The Records.
