How to Have a Successful Product Manager Career: The Things That You Need to Be Doing TODAY in Order to Have a Successful Product Manager Career Jim Anderson

This audiobook has been written with one goal in mind - to show you how you can make your product management career a success. It's not easy being a product manager so we're going to show you what you need to be doing in order to make you stand out and be successful!

Let's make your career a success!

What you'll find inside:

- How great product managers keep their perspective
- Should you get an MBA
- #1 skill that a product manager needs to have
- The product manager's reading list

Congratulations - you are a product manager. Or you want to be one. No matter where your career is at right now, what we need to have a talk about is how you can take it to the next level.

Being a product manager is a strange sort of job. It turns out that you don't actually "do" anything. Instead, it's your job to get a lot of other people to do all of the things that are going to be required in order to make a product or a group of products be successful.

Needless to say this is a hard thing to do. However, as hard as that is, there is something else that you need to be doing at the same time: managing your career. Look, the success of your product is never only in your hands. Market conditions, what your competition does, and the whims of your customers will all conspire to either make your product a success or a flop.

No matter what the final result is, and often we don't even get to stick around for the last chapter, you are going to want your efforts today to move your career forward tomorrow.
