More than a third of Saint-Germain's long, long life was spent in the shadow of the Pyramids, in service to the temples of Egypt--but the tale of those years has never been told before.

In *Out of the House of Life*, readers of Yarbro's series can at last discover how a bloodthirsty demon, captured and enslaved by the high priests of the temple of Imhotep, was transformed into priest and physician and then, finally, into an immortal being of great power and greater wisdom.
