Rissa Murphy's escape from slave traders two years ago was pure luck. She moved back to her hometown, seeking the safety of the small, tight-knit community with its overabundance of former Special Forces operators. But she's been found again, and her enemies aren't planning to let her slip away again. While operating the spa inside The ShadowDance Club, a widely popular BDSM club near Climax, Colorado, Rissa has caught the eye of Doms Mitch Grayson and Bryant Davis. Mitch is a gifted empath who has tried to build her trust while waiting for Bryant to return stateside. Mitch knows Rissa is the woman they've been searching for, and as soon as Bryant meets her, he agrees. But can they keep her safe and convince her that she is one they want to share their lives with? That she is everything they've dreamed of? Is Rissa brave enough to let Mitch and Bryant heal her heart?
