**Sold Out** Stan R. Mitchell

**An incredible national security secret, more than two decades old.**

An intrepid, tireless reporter, seeking the truth.

A CIA hunter-killer group, who will stop at nothing to silence the story.

This is the book you've been looking for: a deep, dark conspiracy that should delight those who loved the Jason Bourne movies, as well as fans of authors Vince Flynn, Tom Clancy, and Stephen Hunter. You won't believe what happens when free speech slams into the messy realities of national security.

Meet Nick Woods, a former Marine Scout Sniper, who used to be one of our country's greatest operatives.

Meet Allen Green, a ballsy reporter in his fifties, who's desperate to break the biggest story since Watergate.

When the book begins, Nick is in hiding, using an alias, and believes he'll never be found. Allen is opposed to all violence and believes he will never use a gun against someone.

Both couldn't be more wrong....

*Sold Out* is an epic, fast-paced story that will leave you breathless, waiting to see what happens next. It's also the first book in the spectacular Nick Woods series (fourth book to land in Spring, 2016).

The Nick Woods series has climbed to the top of the charts on Amazon -- and remained there for more than three years. It's also been picked up by Audible.com for a multi-book, audio deal.

### From reader reviews:

#### **Alex Thayer:**

Information is provisions for those to get better life, information today can get by anyone in everywhere. The information can be a understanding or any news even a concern. What people must be consider if those information which is inside former life are challenging be find than now's taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you have the unstable resource then you buy it as your main information you will have huge disadvantage for you. All of those possibilities will not happen throughout you if you take Sold Out as the daily resource information.

#### **Elizabeth Edge:**

Exactly why? Because this Sold Out is an unordinary book that the inside of the publication waiting for you to snap this but latter it will distress you with the secret the item inside. Reading this book close to it was fantastic author who also write the book in such awesome way makes the content inside of easier to understand, entertaining way but still convey the meaning totally. So , it is good for you for not hesitating having this any more or you going to regret it. This excellent book will give you a lot of positive aspects than the other book have such as help improving your skill and your critical thinking means. So , still want to hesitate having that book? If I were being you I will go to the book store hurriedly.

#### **Josue Denson:**
