**“Get out of the car,” he says. His voice is flat. Uh-oh – have I misjudged the situation?**

It was just supposed to be a quick trip up to see my hippy grandmother, but I guess I got a little too excited driving down the road **wearing almost nothing**. I *knew* I should have been paying more attention to the speed limit than telling my *quietly recording webcam* the story of my **unexpected pick-up** last week...

Maybe -- *just maybe* -- I can talk my way out of this ticket: although it will be a bit tricky with **my mouth full**. At least it will all be recorded! But -- *wouldn't you know it* -- police always have **partners**, and *they share everything*.

**This story is not to be read by anyone under the age of eighteen.**

It contains consensual sensuality involving both oral and vaginal action -- *more than once*.
