With this little coloring book, children can enter the magical world of the unicorn. The enchanting mythical creature appears here in pastoral settings — reposing at a stream, prancing about near a turreted castle, silhouetted against a starry sky, and in other natural scenes.

Crayons, paints, or felt-tip pens will animate these eight bold designs of the gentle beast. Young artists simply color the pictures and then hang them near a source of bright light to produce a luminous glow.
