“I love the new spin on the classic Guardian Angels, and when questions are answered in the “big reveal,” be prepared for a shock!”

—Behind the Pages

How does a girl choose between the one who steals her heart, and the one who owns her soul?

Matt and Emily were created for a specific job. Raised and trained to be the ultimate angel/warrior team, they are sent down to learn and perhaps solve all the bad things that humanity has brought upon themselves. What they don't realize is that the power of human emotions, such as love, anger, passion and fear, can take over even the sturdiest of souls, causing them to make mistakes that lead to confusion and heartache.

When the reason for their training is finally revealed, the angel/warrior team find themselves thrust into a world they know nothing about. Matt takes over the life of Patrick, a young man with a great deal of baggage that's leading him on a path to violence. Emily becomes Liz, a girl living in a remote village who relies on nothing more than her own strength to survive.

One night, with a violent storm erupting outside, Liz is met with a face framed in the window. Let in by the soul of this Samaritan, the two visitors bring with them a treasure trove of secrets that could alter an angel's path and destroy a warrior's plans.

From murder to redemption, this team will face everything—while attempting to find a way to keep the faith they have in each other, in a world that's doing its best to tear them apart.

“Sometimes it's hard to convey in a short review just how a story makes you feel. If nothing else, ‘Until Next Time’ will make you think, question, and feel...a deep, complex, and thought-provoking tale, this story will linger with readers long after it ends.”
