## **Chasin Redemption: within a nation, within the streets** Da Outsida

this is the story of me, and others, the trying struggles of the up & downs, the to and fro & within and without movements of life we have faced and landed from. The chasin of redemption in many forms from people of all walks of life, may we all have a change within us that impacts a single soul or even the world, to no longer just exist!!! thats my prayer for many, and wish for any, listen with your heart and see with your mind because we all have to evolve & change. Chasin redemption is a thank u to all the people in the streets that saved me during a time of being lost and without a purpose to live then, to the souls that i tried to change and also to the music industry here in the 90's that gave my voice a platform to release my pain & anguish, Thank u!
