"A master storyteller!" - *RT Book Reviews*

A sparkling prize of war becomes a loyal vassal's reward. The beautiful, cherished daughter of Scottish nobility, Melusine of Ulle had all the privileges of rank. But her family and her life were destroyed by the ravages of war. And her noble name made her a threat to the new king ...

A bastard son of an English lord, Bruno of Jernaeve was born with nothing. But through loyalty, cleverness, and brute strength, he carved out a spot at the right hand of the king. And to remain in favor he would do anything, even accept the hand of his enemy...

They have nothing in common and every reason to hate each other, but even in the coldest of winters one spark can ignite a fire too hot to tame.
