Hell on Earth (Hellscape) Ally Blue

Two prisoners. One forgotten planet. A secret that twists justice beyond all recognition.

Hellscape, Book 2

All Sandman wants is to get away from his violent past on Hell's End, but trouble follows him, leaving him with more blood on his hands and a one-way ticket aboard a crewless prison transport on a pre-set course for Deimos.

By the time he realizes the transport's actual destination is a mystery, there's only one other prisoner he can trust. He doesn't like it, or the things Vijay makes him feel. Caring makes you weak. Makes you easy to hurt. And Sandman's never been easy, or weak.

Vijay is focused on what he's always done best. Survival. But Sandman is an enigma, fearless in battle yet terrified of tight spaces. Vijay finds himself longing to break through the fierce young warrior's shell.

After crash landing on an uncharted planet, they stumble on the justice system's dirty little secret—the Farm, where prisoners go in but never come out. When the Farm's threat gets personal, Sandman and Vijay each test the limits of endurance to protect the man at his back—and in his heart.

Warning: This book contains spaceships, soldiers, good guys, bad guys, solar system politics, and a one-eyed Gutter with an attitude.
