Who loves you and thinks you're perfect? Your mother, of course. Caralyn Buehner's joyous ode celebrates the love and affection a mother feels for her child, even (or especially) in those not-so-perfect moments. Even "when you're ready for the day in your mix-matched sneaker style,/ And waiting at the door with bits of breakfast in your smile," kids, rest assured, Mom loves you! The endearing paper-collage illustrations of Jacqueline Rogers show mother and child in many happy moments together-where Mom is always ready to offer a hug and she's just so glad she has you!
