Naked Dance & Gymnastics (French and German Edition) (English, French and German Edition)

Ralf Mohr

Ralf Mohr articulates his own authentic and sometimes provocative visual language, which puts the physicality of the individual human being into the focal point. His new photo book -- totally nude women dancing and performing gymnastics -- presents snapshots of the supercharged energetic states of well-trained bodies. These living sculptures are imbued with extraordinary beauty, captured in breathtakingly acrobatic and captivatingly erotic images. The beholder enjoys an intimate exploration of hidden worlds of feeling. Without a doubt, the viewer is welcomed into the laps of these strong women. Dance is a high-performance discipline, the pure pleasure of fantastically moveable bodies -- a revelation. Very explicit full nudity. Hardcover, black and white. Text in English, German & French.
