Joe hates to read, but when a book falls from his ceiling, it sucks him in. Literally! How is he going to get back home before his mother finds out he's gone? This book was written for kids by kids. A team of eight kindergartners through fifth graders in a program called Kidz Write worked under the guidance of children's author, J Monkeys, to create, write and illustrate this book. Kidz Write is one of the many activities included in Afterschool Adventures, a program administered by Educational Resources for Children, Inc.
