***Be the Change.* Drawn from Gandhi's own words, this collection shares one man's philosophy that changed world history.**

When the Indian people, inspired by the words of Mahatma Gandhi, overthrew British rule, they proved that great political change could exist without violence. Revered both as a saint and a master politician in his native country, Gandhi proffered a philosophy that combined Thoreau's doctrine of civil disobedience with many Hindu beliefs. A comprehensive introduction to this influential modern thinker, *The Wisdom of Gandhi* recounts his deeply held views on a variety of topics, including passive resistance, self-discipline, democracy, and even well-being. This is essential text for the history and political reader, as well as anyone looking for words to inspire change.
