**From reader reviews:**

**Patricia Howard:**

Playing with family in a park, coming to see the ocean world or hanging out with close friends is thing that usually you may have done when you have spare time, then why you don't try matter that really opposite from that. One activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love Metal Based Thin Films for Electronics by Wiley-VCH (2006-07-21), you are able to enjoy both. It is fine combination right, you still would like to miss it? What kind of hang-out type is it? Oh can occur its mind hangout folks. What? Still don't understand it, oh come on its referred to as reading friends.

**Gregory Mendoza:**

Is it you actually who having spare time then spend it whole day by simply watching television programs or just telling lies on the bed? Do you need something new? This Metal Based Thin Films for Electronics by Wiley-VCH (2006-07-21) can be the response, oh how comes? The new book you know. You are thus out of date, spending your free time by reading in this completely new era is common not a geek activity. So what these ebooks have than the others?

**John Sorrells:**
