The Magic School Bus Fact Finders are detailed research guides on amazing subjects - like SKELETONS. They cover all the zany facts you'd expect to learn from everyone's favorite science teacher.

Take a page from Ms. Frizzle's book. Better yet, read her class notes and learn all about SKELETONS. No bones about it -- this is your chance to get the facts from Ms. Frizzle's class!

The MSB Fact Finders are great research tools. With photos, illustrations, an index, and more, they have everything that makes learning easy and fun. Each book is reviewed by an expert in the field and includes up-to-date information. And you know Ms. Frizzle will cover the weird and wonderful aspects of science too.

Based on the original series written by Joanna Cole & illustrated by Bruce Degen.

#### **April Cotton:**

As a pupil exactly feel bored to be able to reading. If their teacher questioned them to go to the library or even make summary for some publication, they are complained. Just small students that has reading's heart and soul or real their pastime. They just do what the educator want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that examining is not important, boring and also can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Skeletons (The Magic School Bus, A Science Fact Finder) can make you feel more interested to read.
