Southern Music/American Music

Bill C. Malone, David Stricklin

Southern Music/American Music Bill C. Malone, David Stricklin

Southern Music/American Music is the first book to investigate the facets of American music from the South and the many popular forms that emerged from it. In this substantially revised and updated edition, Bill C. Malone and David Stricklin bring this classic work into the twenty-first century, including new material on recent phenomena such as the huge success of the soundtrack to *O Brother, Where Art Thou?* and the renewed popularity of Southern music, as well as important new artists Lucinda Williams, Alejandro Escovedo, and the Dixie Chicks, among others. Extensive bibliographic notes and a new suggested listening guide complete this essential study.
