Sprinkle Glitter on My Grave: Observations, Rants, and Other Uplifting Thoughts About Life

Jill Kargman

Sprinkle Glitter on My Grave: Observations, Rants, and Other Uplifting Thoughts About Life Jill Kargman

The star of Bravo's breakout scripted comedy *Odd Mom Out* shares her razor-sharp wit and backhanded wisdom in a deeply observed and outrageously funny collection of musings, lists, essays, and outrages.

From her unique lingo (things don't simply frighten her, they "M. Night Shyamalan her out") to her gimlet-eyed view of narrow-mindedness, to her morbid but curiously life-affirming parenting style, mother of three Jill Kargman is nothing if not original. In this hilarious new book, the sharp-elbowed and talented mother of three turns her unconventional lens on life and death, and everything in between, including

- the politically correct peer pressure she felt from the new moms in her hood, the women who provided the grist for the mill that became her hit television show
- the evolution of her aesthetic from *Miami Vice* vibrant (a very brief flirtation) to Wednesday Addams-meets-rocker-chic
- her deep-seated New Yorker's discomfort with moving vehicles that *aren't* taxis and subways (a.k.a. "suburban panic disorder")
- the family obsession with reading obituaries for their medical revelations and real estate "news" value
- the reasons why, in a land of tan-orexic baby-oil beach bakers, she chooses to honor the valor of her ghostly pallor

From a hellish visit to the Happiest Place on Earth to her unusual wedding night with Russell Crowe to her adrenaline-pumping Gay Pride parade experience, *Sprinkle Glitter on My Grave* is as wonderfully indecent and entertaining as a spring break road trip with your best friend. Assuming your best friend is the kind of gal who still wears a motorcycle jacket to pick up the kids at school.
