### **The Ghost Files 3.5 (Volume 3)** Apryl Baker

Tick tock... Mary Cross has been forced to accept the world of the supernatural because of an experience that left her with the ability to hear—but not see—the supernatural. She survived three weeks of being kidnapped and tortured, and it has left her emotionally and physically scarred. Across the street from her house, strange things are happening... Mysterious noises haunt the residents, faucets turn on by themselves, and footsteps can be heard running up and down the stairs. It all centers around Noah, a two year old child. Babysitters have run screaming from the house. Caleb Malone has been dumped into a teeming hornet's nest... He's always been the good son, done everything asked of him, and even gave up graduate school to join the family business of hunting supernatural villains. He's convinced himself he's happy, that his duty to his gift should come before anything else. Until he meets Mary Cross. She gives him hope that things can be different, that he can be different. Together, the two of them must solve the mystery of the two shadows stalking the child and save him from whatever has attached itself to him. Time is running out and to save Noah, forcing Mary to face her own demons. But in doing so...has she put a target on her back?
