Your Eyes Only Lucia Jordan

This is the first book in the 'Your Eyes Only' Series, a seriously hot and provocative romance by Lucia Jordan, written in her signature style of high passion with searing depictions of sex and emotion.

Noelle's life has fallen apart. She is recently divorced from a man she'd been married to for five years, all the while unaware that he was in fact gay. Following the collapse of her life, she returns home in hopes of starting over, to forge a life that is honest. The first step is finding a job, something she's had a hard time with until she runs into Ryan one morning.

Ryan is a local ranch owner: He's rugged man whose taut, lean rancher's body oozes virility. He also happens to be her ex's older brother. Secretly, Noelle and Ryan have always had eyes for one another. Seeing an opportunity for something he's always wanted, Ryan reaches to seize it.

He offers Noelle a job as his bookkeeper, also insisting that she immediately move out of the local Inn and onto his ranch. But with everything happening so fast, will Noelle remember the life she'd set out to find? Will she find herself completely overcome by the sexual ecstasies of this romance? And what will happen when she learns of all the pleasures she'd once been denied?

This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
