I couldn't stand my fast food job. When I was hired, I was promised that my schedule would be based around my college classes. The pimple faced manage didn't care. When I told him I couldn't work the hours he scheduled me for, he cut my hours so bad that I was broke as a joke. In order to make more money, I put up ads for babysitting.

I was so surprised when **THE MAN OF THE HOUSE** saw one of my flyers and called to hire me. Things got interesting real fast and I ended up taking care of much more than his little one.
