Porches not only provide a practical function by extending living and entertaining space, but they also fulfill aesthetic and social needs by exuding a sense of welcome and creating an appealing transition from indoor to outdoor. In *Dream Porches and Sunrooms*, homeowners are invited to discover the simple pleasures these additions can bring to their life by envisioning the various design possibilities available as well as gaining an overview of the porch creation process.

This highly-visual resource book overflows with vibrant color photography showcasing diverse outdoor additions in a variety of exterior styles arranged by purpose (dining, entertaining, relaxing, etc.) and location (city, suburbs, small town, waterfront), demonstrating how homeowners can select a design to suit their particular living space and needs. Sketched plan diagrams are included with many of the photos, and an in-depth chapter on the elements of "porch style" encompasses a wealth of decorative options for further inspiration.

Dream Porches and Sunrooms also highlights the important practical considerations to take into account before embarking on a porch project and selecting a suitable design. It concludes with a final chapter outlining the key choices and elements involved in the porch construction process, rendering them in a clear, concise manner using a mix of text and pictorial examples along with helpful checklists and sidebars.
