Eli Grayson needs a wife - or at least, a woman willing to pretend to be his wife. So, he convinces longtime friend Jewel Crowley to play the part. After all, it's only dinner, and if this is what it takes to save his newspaper, so be it. They'll part ways at the end of the night and that will be that. But, all their plans are turned upside down when Eli's new partner announces their marriage to the whole town. Now, the wild Jewel and the womanizing Eli have to try to make a go of it if he wants to keep his job - and she wants to keep her reputation. But, what started as a marriage of convenience soon becomes so much more and the couple must decide if they are willing to risk everything to see where their passion leads.
