Proach Hansraj, not having had proper schooling or any tertiary education, is proud to have achieved his dreams. Due to the political situation in South Africa for a large part of his life, he was faced with many hurdles. Added to this were many other tragedies and obstacles along the way, yet, he found the strength within himself to overcome. My Prudent apProach to Life is Proach's account of his life – family, career in the transport industry and later the property market, travels and other interests and aspects of his life. This book takes us to the heart of the author, Proach's childhood and his growth as a successful businessman. It includes memorable highs and lows, taking us on a journey from his humble beginnings in Sea Cow Lake to his present home in La Lucia. The book offers a glimpse of his successes and provides us with a story that is personal, revealing and every bit as exciting as his life. Here is the life of a great man told openly, directly and in his own completely recognisable voice. A unique book by a unique individual, who at his current age of 53, is now semi-retired. He presently spends his time doing what any doting grandfather would do – spending quality time with his grandchildren.
