It is said that the maid of honor and the best man are the most likely to have sex on a wedding night. Add a love-hate relationship and throw a couple of ghosts into the mix, and you have the runaway couple. Eloise chose a Gothic themed wedding for her and Dane, complete with remote setting, flickering candles, flaming torches and shadows, all geared toward scaring the guests. The stormy weather and swirling mists were a bonus. But the person most scared is the maid of honor, the bride's elder sister, Piper. She didn't do creep. Added to that, she's been lumped together with Marcus, the best man and the bane of Piper's teenage life. He was a prankster of renown when they were growing up. As the boy-next-door, he singled Piper out for the best he could come up with. She didn't trust him then, and she certainly didn't trust him now. As the runaway couple, will they follow the traditional path? Or will Piper's dislike and mistrust of Marcus win out? Set in South Africa, the Runaway Couple is the first book in a set of steamy romances about bridesmaids, weddings and honeymoons that will appeal to the young and the young at heart alike.
