The Wolf's Country Bride: A Sweet Shifter Romance (Riverfall Shifters Book 1) Rose Parker

**Ten years ago, alpha wolf shifter Branch Montgomery walked away from *her*.**

Fleeing from an arranged shifter marriage and a stifling small town, he left everything behind... including his would-be bride Hannah. He broke her heart and shamed her in front of everyone, and she **hates** him for it.

A string of supernatural crimes force Branch and Hannah together, two smart shifters hot on the trail of one bad, bad wolf. The closer they get, the more he regrets his mistakes...

Hannah knows she should stick to her path -- marry her fiance, save the family farm. So why can't Hannah stop her wolf for **howling** for Branch's touch? Why can't Branch be civil to Hannah's human fiance?

To save Hannah's life, Branch will have to put it all on the line... and pray that their love is strong enough to protect them both.

**This is a SWEET standalone paranormal romance. No graphic sex, gratuitous violence, or serious curse words. No cheating, no cliffhangers, and a guaranteed happy ever after ending!**
