**Challenging Word Problems (Common Core Ed.): Grade 1** Yan Kow Cheong

**Challenging Word Problems** is a series of six books, specially written to supplement Singapore's *Primary Mathematics* textbooks for use in the USA. This *Primary Mathematics* series has been updated to align with the Common Core State Standards for mathematics.

With extensive graded questions for students of mixed abilities as well as higher-order questions for better math students, these topical problem-solving books serve to enhance students' mathematical reasoning and bolster their confidence

Each book in the series features the following:

- \* Graded Worked Examples
- \* Practice Questions
- \* Challenging Problems
- \* Review Questions
- \* Worked Solutions to All Questions

Through regular practice and review, the **Primary Mathematics (Common Core Edition) Challenging Word Problems** series serves to build a solid foundation in elementary mathematics and boost students' creative and critical problem-solving skills.

**Challenging Word Problems**, distributed by Singaporemath.com, is a wallet-friendly math series that equips elementary math students, teachers, and parents with the mathematical problem-solving skills needed to solve brain-unfriendly math questions, which are often used to separate the nerd from the herd, or which appear in school exams and math contests.
