A *New York Times* Best Illustrated Children's Book of 2013

"Tomi Ungerer has created another masterpiece." – Eric Carle

In this imaginative tale from master storyteller Tomi Ungerer, two young siblings find themselves cast away on mysterious Fog Island. No one has ever returned from the island's murky shores, but when the children begin to explore, they discover things are not quite as they expected.

Ungerer's captivating drawings evoke the eerie beauty and magic surrounding this timeless adventure. Selected by both *The New York Times* and *Publishers Weekly* as one of the year's best children's books, *Fog Island* is destined to become a modern classic.

### From reader reviews:

#### **Dana Hanley:**

What do you consider book? It is just for students because they are still students or this for all people in the world, what best subject for that? Just simply you can be answered for that problem above. Every person has various personality and hobby for each other. Don't to be pushed someone or something that they don't desire do that. You must know how great and important the book Fog Island. All type of book is it possible to see on many options. You can look for the internet sources or other social media.

#### **Charles Thomas:**

Do you one of the book lovers? If so, do you ever feeling doubt if you find yourself in the book store? Make an effort to pick one book that you just dont know the inside because don't judge book by its handle may doesn't work this is difficult job because you are afraid that the inside maybe not because fantastic as in the outside look likes. Maybe you answer may be Fog Island why because the fantastic cover that make you consider concerning the content will not disappooint anyone. The inside or content will be fantastic as the outside or even cover. Your reading sixth sense will directly make suggestions to pick up this book.

#### **Lily Winstead:**

This Fog Island is great book for you because the content and that is full of information for you who else always deal with world and get to make decision every minute. This specific book reveal it information accurately using great organize word or we can point out no rambling sentences within it. So if you are read the item hurriedly you can have whole data in it. Doesn't mean it only offers you straight forward sentences but hard core information with lovely delivering sentences. Having Fog Island in your hand like having the world in your arm, data in it is not ridiculous just one. We can say that no reserve that offer you world with ten or fifteen tiny right but this reserve already do that. So , this is good reading book. Hi Mr. and Mrs. busy do you still doubt that?

#### **Patrica Fussell:**

As a pupil exactly feel bored for you to reading. If their teacher requested them to go to the library or make summary for some e-book, they are complained. Just little students that has reading's heart or real their passion. They just do what the educator want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that reading through is not important, boring along with can't see colorful images on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Fog Island can make you experience more interested to read.
