Lady in the Mist (The Midwives Book #1): A Novel Laurie Alice Eakes

"Lady in the Mist brims with tension, intrigue, and romance."--Julie Klassen, bestselling author of *The Silent Governess* and *The Girl in the Gatehouse*

By virtue of her profession as a midwife, Tabitha Eckles is the keeper of many secrets. Dominick Cherrett is a man with his own secret to keep: namely, why he, a British aristocrat, is on American soil working as an indentured servant.

In a time when relations between America and England rest on the edge of a knife, Tabitha and Dominick cross paths, leading them on a journey of intrigue, threats, public disgrace, and . . . love. But can Tabitha trust Dominick? Finding true love seems impossible in a world set against them.

With stirring writing that draws you directly into the story, *Lady in the Mist* takes you on the thrilling ride of love's discovery.

"I loved, loved, loved this book. It grabbed me by the heart and held on."--Lena Nelson Dooley, author of *Love Finds You in Golden, New Mexico*

"Secrets, suspense, and a sweetly told love story make this a highly rewarding read."--Cheryl Bolen, Holt Medallion-winning author of *One Golden Ring*

The role of midwives in history began to fascinate **Laurie Alice Eakes** in graduate school and she knew that someday she wanted to write novels with midwife heroines. Ten years later, after several published novels and a National Readers Choice Award for Best Regency, the midwives idea returned, and *Lady in the Mist* was born. Laurie Alice has a masters degree in creative writing and now writes full time from her home in Texas, where she lives with her husband and sundry dogs and cats.
