Simon Toyne

Sancti Trilogy (3 Book Series) Simon Toyne

From Book 1:

“If a thriller has to be one thing it’s thrilling, and Simon Toyne’s *Sanctus* is thrilling with bells on....A roller coaster ride through a dark world of conspiracy and betrayal.”

—Paul Christopher, author of *The Templar Conspiracy*

If you are a fan of top-notch conspiracy fiction that keeps you up late nights turning pages—if the bestselling novels of Steve Berry, James Rollins, Dan Brown, Raymond Khoury, and Chris Kuzneski make your heart race faster—then remember the name Simon Toyne! Already a smash instant bestseller in the United Kingdom (“Intriguing and engaging...[with a] relentless pace” *The Sun*) Toyne’s *Sanctus* is, quite simply, one of the most extraordinary conspiracy thriller debuts in many years. In this electrifying, nonstop adventure, a young newspaper reporter, driven by the memory of her lost brother, uncovers a dark secret nurtured for 3,000 years by blood and lies by adherents of an ancient, unknown religion in a Vatican-like citadel hidden away for millennia from unwelcomed prying eyes.
