**In this book your children will learn all about the amazing T-Rex**

- How did they hunt?
- What did they eat?
- Did they live in packs?
- Where did they live?
- How fast were they?
- And much, much more...

Samantha R. Knight is a mother and an educator and has faced these questions and many more. She has put together a series of gorgeous books full of fun and educational details, beautiful illustrations, and humor throughout. Your child will get an entertaining and educational look at the T-Rex, its world, and its life. Your children will thank you for this gift - and you will have the pleasure of knowing that their interest in science, biology, and even history is growing.

**Here is just a sample of what others are saying about this book:**

*"This is the second book by this author that I have purchased and I was not disappointed. My daughter got a thorough understanding of the T-Rex and enjoyed looking at all the wonderful pictures. It was a lot of fun reading this alongside her and I actually learned a lot about the T-Rex that I didn't know before. I will definitely be buying more from this author in the future."*

**- Julie 5/5 Stars**

*"I was so happy to get to read this book! I was never a big fan of dinosaurs in general, but this book changed my opinion. I learned a lot of facts I didn't even know about and I still cannot fathom that a T-Rex's head was five feet long with a four foot mouth and teeth the size of bananas!! I look forward to reading other books that this author has written!"*
