## **The Desert Is Theirs** Byrd Baylor

You may think of the desert as a harsh, dry place where no one would ever want to live -- but think again. The Desert People know. so do the animals. Both love the land, and "share the feeling of being brothers in the desert, of being desert creatures together."

Byrd Baylor's spare, poetic text and Peter Parnall's striking illustrations lime the sky, stone and sand of the desert in this haunting book.
