## **Ripper: The Secret Life of Walter Sickert** Patricia Cornwell

From *New York Times* bestselling author Patricia Cornwell comes *Ripper: The Secret Life of Walter Sickert*, a comprehensive and intriguing exposé of one of the world's most chilling cases of serial murder—and the police force that failed to solve it.

Vain and charismatic Walter Sickert made a name for himself as a painter in Victorian London. But the ghoulish nature of his art—as well as extensive evidence—points to another name, one that's left its bloody mark on the pages of history: Jack the Ripper. Cornwell has collected never-before-seen archival material—including a rare mortuary photo, personal correspondence and a will with a mysterious autopsy clause—and applied cutting-edge forensic science to open an old crime to new scrutiny.

Incorporating material from *Portrait of a Killer: Jack the Ripper—Case Closed*, this new edition has been revised and expanded to include eight new chapters, detailed maps and hundreds of images that bring the sinister case to life.
