Andre de Laurent is the second son of an extremely wealthy family, which basically means he'll always be number two. That is, until his mother's uncle dies and leaves him a multi-billion-dollar fortune. So what's the trouble? Andre has sixty days to take a wife, and he'll have to remain married for one year or forfeit the inheritance to distant relatives—who are hell-bent on claiming the inheritance as their own. Aspiring actress Tasha Gordon has never wanted anything quite so much as that big break, until she met Andre de Laurent. Could his offer turn out to be the role of lifetime?
