The Pretribulation Rapture Theory and Dispensationalism Revisited J. Mike Byrd

The Pretribulation Rapture Theory and Dispensationalism Revisited reviews and critiques a confusing array of popular theories that address the return of Jesus Christ and the church's rapture. It proposes that a clarifying approach rests in letting Scripture interpret Scripture, which yields a simpler, more natural, and consistent explanation of the pretribulation rapture and dispensationalism.

Drawing upon thousands of hours of Bible study, J. Mike Byrd presents an analysis and a related proposal that avoid both unthinking conformity to popular notions and oversimplification for the sake of palatability. The Pretribulation Rapture Theory and Dispensationalism Revisited addresses methods of interpretation, defines dispensationalism and the Dispensational Principle, examines the scriptural testimony surrounding the day of the Lord and the day of God's wrath, surveys the issues regarding imminence, and discusses the rapture, the resurrection, and Christ's second coming.

If you wonder what Scripture clearly teaches about the this world's demise, the end of human existence, and the onset of God's sure and certain work to establish his reign, then The Pretribulation Rapture Theory and Dispensationalism Revisited should offer you the scripturally grounded review, analysis, and explanation you need to understand the Scripture's teachings on these ultimate issues.
