Legally I cannot use Lyrics or Music because of Copyright but I can use song titles so a total of 1337 song titles (Italicized) have been used and due to the nature of my books; legally I must place a Reference (exactly as it is down loaded) and Bibliography after the story. Fred and Sylvia Dawson married and raised their four children in the suburb of Monologue just across the river from New York. Nancy, the eldest, has decided to have a family reunion at her place in Chicago at Christmas time and it turns out to be more than a family gathering as each person reveals a hidden secret. Can Sam, their youngest daughter's husband shed light on this mystery by telling them a story from his Peruvian ancestry. Does his story have anything to do with the certain person that has visited his other relatives and the UFO sightings? Dawn from Newark, Delaware in the United States of America After reading through your range of books I felt I must compliment you Joan on the imaginative and entertaining way in which you presented each group and the Musicians in those groups. The way the stories were constructed is a credit to your work ethic. These must have taken considerable time to piece together and it is obviously a work of love for you.
