*Dropping Acid: A Beginner's Guide to the Responsible Use of LSD for Self-Discovery*

This is a book about **LSD**. A substance that nearly everyone has heard of, but very few really know anything about.

In these pages you can learn about the history of this enigmatic substance; the chemistry of how it works; come to understand some of the myths and truths about it; and even read some first-hand stories of 'trips' taken after having consumed LSD.

But most importantly, this is a book about *Self-Discovery*. It explains how LSD can be used to learn about yourself; how it changes your perception of the world, and how to use this changed perception to make changes in yourself.
