Jason And Alexander A Gay Paranormal Romance Story (True Love Never Dies) (Volume 1) G.W. Mullins

Jason and Alexander is a story of love, adventure and the paranormal. Jason has always dreamed of a normal life. He is a typical teenage boy with school and friends, except he is a gay and an outcast. His parents have turned their backs on him. The local gang has plans for him. His family has fallen apart and he has nowhere to turn after his parents decide to walk away. He knows his house is about to be turned into a gang hideout, so he goes into hiding to save himself. As Jason takes refuge in the local cemetery he meets Alexander the man he always dreamed of. He's tall, handsome, blue-eyed and a ghost who died more than sixty years earlier. Jason and Alexander form an unexpected friendship. One which transcends death and forms a bond of love. Life is hard enough for a gay teen but to also find love with a ghost seems impossible. They set out on a mission to solve the mystery of Alexander's death while at the same time securing a safe life for Jason. If Alexander can find the cause of his death and survive crossing over into the light, he may be able to stay with Jason. Can they prove that true love never dies? This story is the first in a series of Paranormal Fantasy/Gay Romance that kicks off an epic trilogy of love, life and a fight to survive.
